Dear Mr President
we have no place
to go when we
want to go out
in the canyon
because there
are going to build
houses so could you
set aside some
land where we could
play? thank you four listening
LOVE SCOTT

THE STORY OF THE GENERAL PLAN UPDATE-

Once Upon A Time in 2008

- Land Use Element & Mobility Element & EIR

Because “Now” Was the Right Time (versus in 2006)

- Air Quality Element
 - Climate Action Plan & Citywide GHG Inventory

All the While...

Parks, Recreation, and Open Space Element

To Get the Most of the City’s \$\$

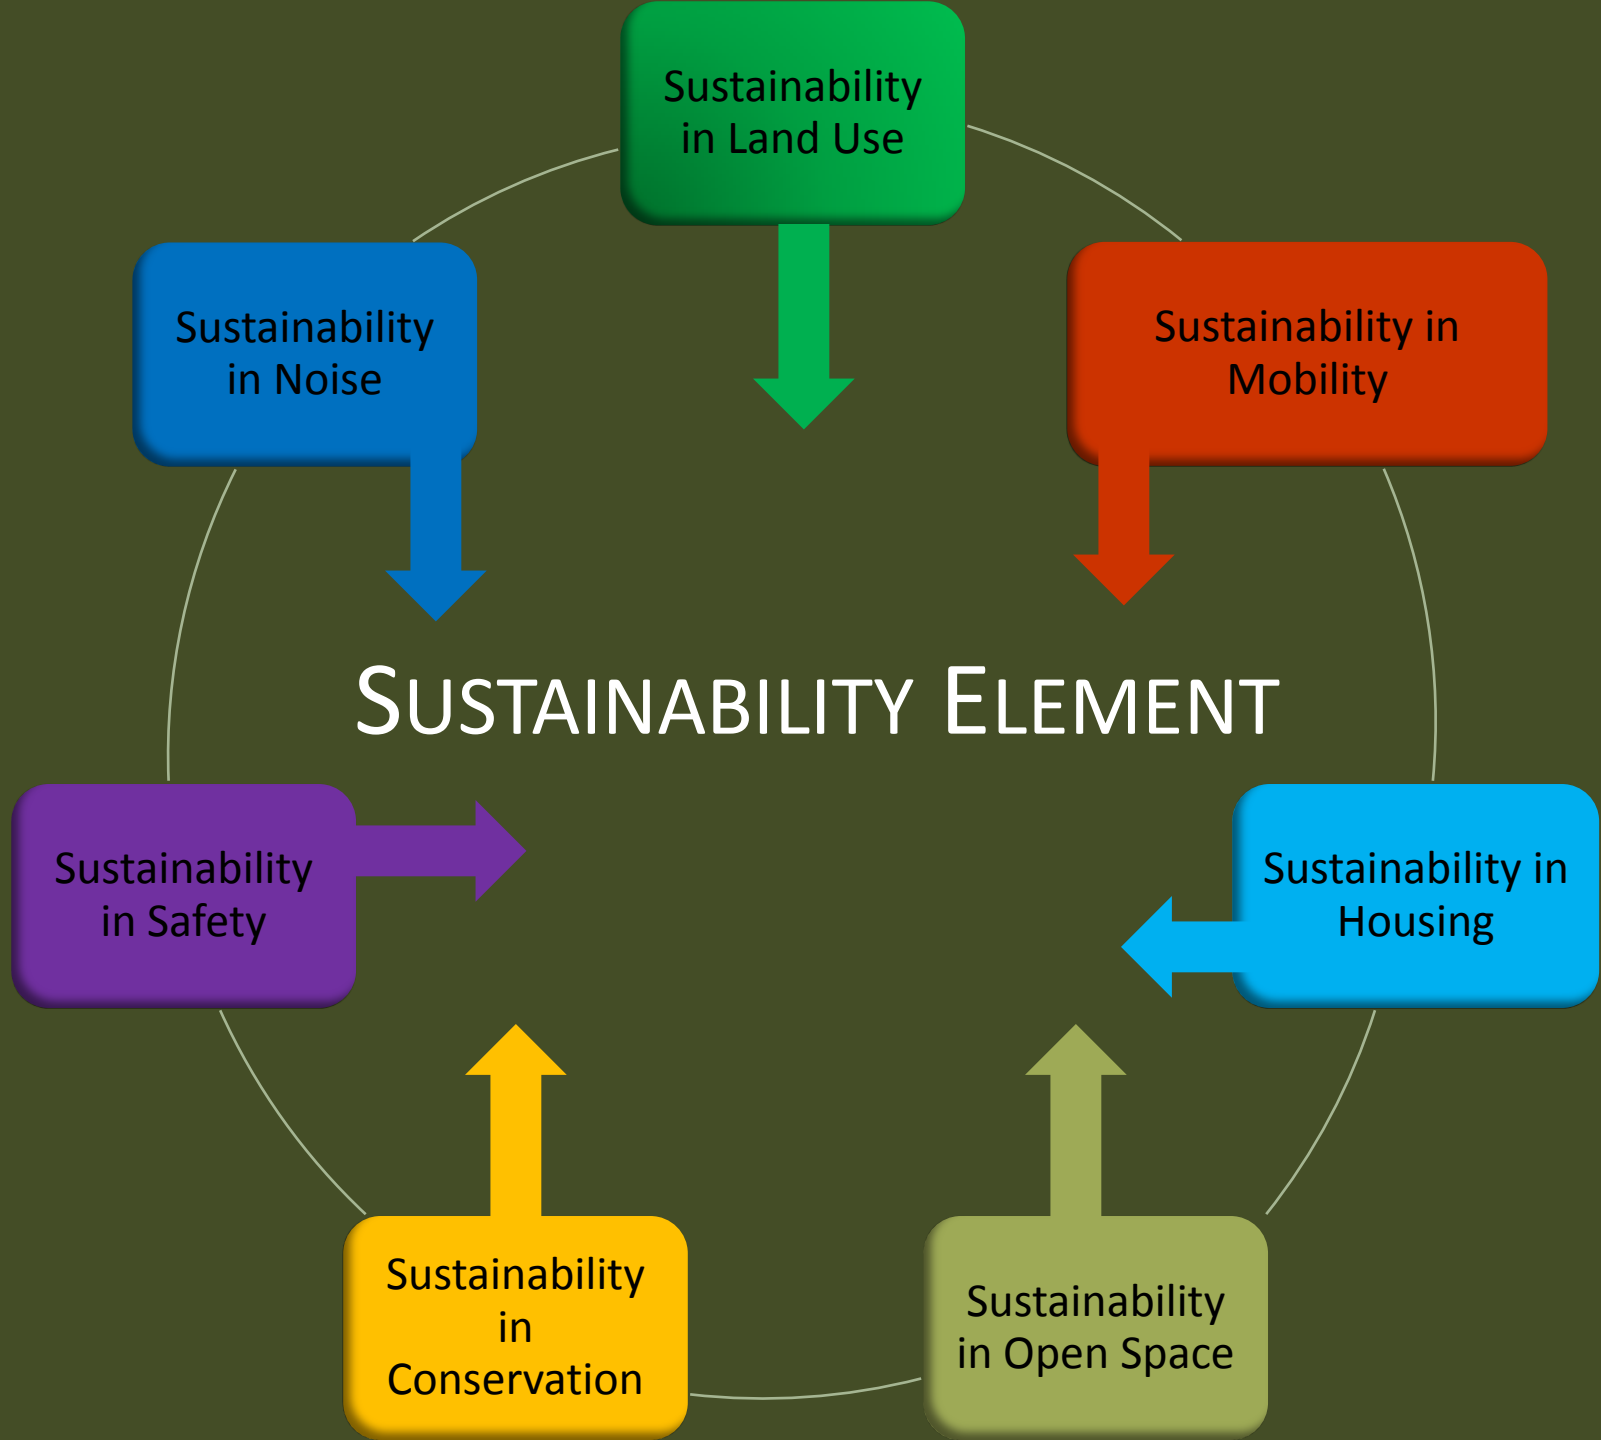

- Noise Element
- Safety Element

What we won’t be touching – Housing Element (updated in 2008)

Climate Action Plan & GHG Inventory

- ARB & UN Accords – 25% by 2030
- GHG Inventory – 2007 Inventory
 - AB 32 – 2006 Adoption
 - Need to go a few years back for data grab
- CAP / GHG Inventory is first step for-
 - Establishing progress – for yourself & against peers
 - Developing forecasts
 - Tailoring plans
- When you set a benchmark-
 - Everyone gets a little “burned”

What to Expect...

- Right now –
 - Branding
 - Logos
 - Website / Facebook
 - Formatting with AECOM
 - Outreach
 - Work
 - Draft Documents in late summer/fall
 - Public Review and Community Outreach – Fall 2010
 - Adoption – Early 2011

Your Role

- Two Review Groups-
 - General Plan Draft Review-
 - Work in beginning September through 2011
 - Could be tasked to Land Use & Urban Design Subcommittee
 - Climate Action Plan Preparation / Review-
 - Work beginning immediately through 2011
- Will be coming back to whole SBTF throughout the fall for updates on General Plan and Climate Action Plan
